Doctors' Day Celebration & Physicians' Town Hall Meeting

In celebration of Doctors' Day, you are invited to a reception at the Museum of Science and History (MOSH) on April 6, 2009, at 6:00 pm, and to experience the museum's newest exhibit - *The Body Within*.

Come and tour the MOSH's newest permanent exhibit

The MOSH's newest exhibit, sponsored by Baptist Health, opened in February 2009. The Body Within features a realistic, yet humorous, look at the human body. As you enter the mouth, you will see the skeletal system overhead, and organs and body systems below. You also see how various organs, such as the heart, function within the body.

Following the reception, we invite you stay for a Physicians' Town Hall Meeting, featuring DCMS President Dr. R. Stephen Lucie, and FMA Executive Vice President Tim Stapleton, to discuss issues important to the practice of medicine on the First Coast and the FMA's priority issues.

Monday, April 6, 2009
